Open letter to: MR. Charles R. Norgle Senior. Sep-17-2013

Yes. You asked by your Silence / within yourself for more answers regarding so many things as your higherSelf Mr. norgle Knows to true/correct. Including St. Germains Trust, NESARA, The prosperity packages, OPPT, The Global collateral Accounts and before you unconsciously Choose to live with limits or to live without limes... Pay conscious attention to the answers to all your questions... Pay energy of attention to the release of truth, and the whole truth, for nothing but the absolute truth. Absolute truth is visible by conscious free will choice to breath and bring forth all data transparency, in trust of eternal guarantee of absolute peace, absolute love, and absolute grace. Know the answers in absolute context of absolute truth by within, then consciously Choose by free will choice whether you absolutely BE and then DO BE'ing.

What IS the Public Trust and what does it DO? ... In This absolute Current Present Moment of now, it is the Visible Space of absolute truth that consciously absorbs the energy and holds the contrast of all data for you to exercise by free will conscious choice to BE free, without limits, now. So it is done. Ask your self, between feeling trust and feeling distrust... What do you consciously choose by your free will to experience now? All own the Public Trust, and all that is guaranteed as BE'ing absolute secured in it, equally to all, in this absolute current present moment of now.... free will be done and honored. So it is.

In trust you can lovingly relax, purify and build in transparency, or, by contrast, in distrust you can angrily shield, fight and wither in transparency. What do you consciously choose by your free will to experience in this absolute Current present Moment of now? Your DO'ing what you choose to BE is the "application" of your choice. Your BE'ing is the delivery point of what you choose. No "rfid", no "gps", no "ssn", no "codice fiscale", no "blood", no "address" required because that is so "yesterday" in this absolute current present Moment of now.

As you begin BE'ing together as one in this absolute current present Moment of now,... Consciously choose between the contrast to BE or not to BE... to Do or not to Do... Choose by your free will choice! Either way you choose, by your free will, do you not know and see the absolute truth that it is? That each choice still equals BE'ing and DO'ing Something? Do consciously Make those choices now... direct the absolute current present Moment of now. Consciously choose to Be and direct that absolute current of energy into the Present Moment of now, without limits, by free will choice. Your conscious free will choice exercised is to create, co-create as one in this absolute current present moment of now.... free will be done and honored. So it is.

(TURN OVER)

The "Powers that Were", in all your dimensions, Know... they have Known forever without transparency and... Now they DO consciously choose in transparency to experience... All the data of absolute is made visible in this absolute current present Moment of now. Absolute truth of the energy and code you used to consciously deceive, limit, commandeer, and pervert into systems of Mis-direction, Mis-Managements, by Contrived events, finely tuned by the tool of using "expectation", "hope," "want," "need," through the Perverted tools of the "corporation," "government," "Society," "country," "family," "gregorian calender," "holiday," "holy day," "religion," "title," "Master," "Servant," "Media," "film," "Money," "commerce," "ucc," "divinity," "above," "below," "inner," "outer," and → → → ————————→

PLEASE CONTINUE MR. Norgle →

Other allusions of separation and division of the one implemented to serve your self interests to the damage of all others, duly canceled, and the energy re-set now by conscious free will of eternal presence consciously exercised and guaranteed in word of absolute truth. What do you consciously choose Mr. Norgle by your free will to experience in this absolute current present moment of now? Free will be done and honored. So it is.

In absolute love, peace and grace all now shall know you can choose to experience the opportunity to make a difference choice.... Know and see the absolute truth of how the perverted systems of mis-direction, mis-management, and the allusion were consciously chosen to manifest the extreme contrasts to show these "Powers that were" that they could not stop, delay, hinder and avoid the absolute truth of what IS and to free those in the deepest slumbers or shackled by the strongest restraints, in all their dimensions... So that all could know and see absolute truth in this absolute current present moment of now... in the paradise of freedom... What Do you consciously choose by your free will to experience in this absolute current present moment of now? Free will be done and honored. So it is.

By absolute declaration and loving decree made in absolute responsibility and absolute liability, begin absolute context of visible specifics of THE DISCLOSURE, THE EVENT, and "roll out" in the manner absolutely good for all in this absolute current present moment of now.
